

## A world leader in refrigerants

From mine to market, Mexichem is the world's largest fully integrated manufacturer and supplier of refrigerants to the air conditioning and refrigeration industries.

Klea® refrigerants are supplied from our sites in UK, USA and Japan to major manufacturers and the aftermarket sector across commercial refrigeration, automotive and stationary air conditioning applications.

## Comprehensive range of R-22 replacements

**Klea® 410A**

**Mexichem**  
Refrigerants

**Leading high pressure, high efficiency HFC replacement for R-22**

- For air conditioning and refrigerant applications in new equipment
- Widely supported by major compressor and component suppliers

**Klea® 407C**

**Mexichem**  
Refrigerants

**Established HFC replacement for R-22 in existing equipment designs**

- Relatively little work in adapting existing systems
- Retrofit allows reduced GWP without replacing equipment

**Mexichem.**  
Refrigerants

Klea® 32

**Mexichem**  
Refrigerants

**Lower GWP solution for replacing R-22  
as an alternative to R-410A**

- Increasingly popular solution
- Comparable energy efficiency to Klea® 410A

## A full range of HFC refrigerants including

Klea® 134a

Klea® 407C

Klea® 410A

Klea® 32

Klea® 407A

Klea® 404A

Klea® 507

## The best in customer service

Mexichem combines product quality and security of supply with world-class customer service. Our experienced staff are committed to providing the very best service in generating real value for all our customers. This is backed by our expertise in logistics and technical support.
