

## Contact list for compressor approvals for Klea® 407H

Most compressor manufactures give approvals for new refrigerants only after long term wear and tear tests. These tests are linked with a huge effort and are done after requests from the market reached a certain level.

However, before compressors are released for refrigerant types in their information brochures, compressor manufactures can give single approvals on request.

For the approvals on request following persons can be contacted:

### Bitzer

Mr. Julian Pfaffl  
+49 (0)70 31 932-43 69  
julian.pfaffl@bitzer.de

### Frascold

Mr. Marco Perri  
+39 0331 742213  
marco.perri@frascold.it

### Dorin

Mr. Lorenzo Fanetti  
+39 (0)55 62321 241  
l.fanetti@dorin.com

### GEA-Bock

Mr. Philipp Schmid  
+49 (0)7022 9454-232  
philipp.schmid@gea.com

### Emerson

Mr. Andreas Peselmann  
+49 (0)2408 929-183  
andreas.peselmann@emerson.com
